FIVE STAR ACCOMMODATION AND CARE FOR
THE DISCERNING ELDERLY CLIENT

Oulton Manor

OULTON, LEEDS

Welcome from our Chairman

As owner and Chairman of the Hadrian Healthcare Group, I am extremely proud of the reputation we have gained for being the North's premier provider of elderly accommodation and care services.

I am passionate about our commitment to excellence and our aim is always to provide person-centred and compassionate care within a luxurious, carefully designed setting.

We focus on preserving the dignity of our elderly clients, as well as allowing residents to be as independent as possible.

We provide a tailored plan of assistance and care within a stimulating and homely environment, working together with residents and families to ensure that all our residents continue to get the best out of life.

Oulton Manor is situated in a residential area south of Leeds five miles from the city centre, with easy access from the M1 and M62.

Oulton Hall Hotel, with its stunning parkland and golf course, is close by and other local amenities are available in Oulton village including a GP surgery, shops and a selection of public houses.

We look forward to seeing you at Oulton Manor in the near future. I promise you will be impressed.

I also know only too well how difficult and emotional the decisions are for everyone when considering a move to a new home.

That is why I am available to support clients and their families in this process, so please feel free to contact me.
