WETHERBY

Welcome from our Chairman

As owner and Chairman of the Hadrian Healthcare Group, I am extremely proud of the reputation we have gained for being the premier, award winning provider of elderly accommodation and care services.

I am passionate about our commitment to excellence and our aim is always to provide person-centred and compassionate care within a luxurious, carefully designed setting.

We focus on preserving the dignity of our elderly clients, as well as allowing residents to be as independent as possible.

We provide a tailored plan of assistance and care within a stimulating and homely environment, working together with residents and families to ensure that all our residents continue to get the best out of life.

Wetherby Manor is situated in the heart of the town centre, just a short two mile drive from junction 47 on the A1 and close to the beautiful River Wharfe.

Wetherby Parish Church is our immediate neighbour with other local amenities - including a library, chemist, selection of public houses, shops and a supermarket - just a short walk away.

We look forward to seeing you at Wetherby Manor in the near future. I promise you will be impressed.
